

*Furutech CF-BNC (R) 75Ω BNC Connector  
Premier Performance and Legendary Build Quality*

## **Furutech CF-BNC(R) 75Ω BNC Connector**

Furutech makes a wide variety of OEM parts known the world over for their quality construction and superb sound. Our engineers examine every part of the signal and power path no matter how small and optimize each and every connection.

Take 75Ω BNC connectors:

Furutech's beautifully finished, beautiful sounding CF-BNC connectors are the result of meticulous engineering and careful audition of various suitable materials. The CF-BNC features an α (Alpha) phosphor bronze conductor and Fluoropolymer PTFE insulation for minimal impedance and a nonmagnetic stainless and carbon fiber finished housing for superior damping.

### **Features and Materials**

- Main conductor: Nonmagnetic Rhodium-plated α (Alpha) Phosphor bronze conductor
- Insulation with Fluoropolymer PTFE Resin
- Housing: Nonmagnetic stainless and carbon fiber finished.
- Cable Clamp: Copper Alloy.
- Specified for wire outer diameters up to 8.0mm
- Connections: Soldered

**Dimensions:** Housing: 13.4<sup>φ</sup> x 22 mm overall length      Total overall length: 43.9 mm approx.
