

### Fidelity Components Resistors

The MResist™ SUPREME series is specifically designed for high-end loudspeaker and amplifier applications. With their superior audio quality – certified also by discerning industrial customers who tested them out beforehand – these “acoustically no longer perceivable” resistors now match the premium quality standard which distinguishes our capacitors and conductors for many years already!

Type	D	L	Wire	A	B	C
	[mm]	[mm]	Ø * [mm]	[mm]	[mm]	[mm]
mres20	11	51	1.0 * 30	32	39	45

mres20  
Highload resistors, 20 Watt  
Ohm  
[Ω] ±2%
